**PLYMOUTH EDUCATIONAL CENTER
PARENT CONNECT
A WINDOW INTO YOUR STUDENT'S SCHOOL DAY**

An Internet program called PARENT CONNECT is available that allows parents to connect to the student information system of Plymouth Educational Center. Parents can log on to a secure website and see current school information for their students attending PEC. The information is immediate, wide-ranging, and includes the following:

- ◆ Enrollment information and daily attendance
- ◆ Grades
- ◆ Behavior Information
- ◆ Health information
- ◆ School and Classroom News
- ◆ Links to contact PEC staff - teachers, administrators, etc.

Using PARENT CONNECT requires a computer connected to the Internet, and a PARENT CONNECT account. Accounts are free of charge and the process of getting a Personal Identification Number (PIN) and Password is coordinated at PEC.

Plymouth Educational Center has implemented this valuable program to make access to your child's school information easier.

Further information and a link to the Parent Connect website are available on the school's website at www.plymouthed.org.
