## TRANSPORTATION REQUEST FORM

Beginning with the 2011.2012 school year, The Plymouth Educational Center District will offer **free transportation to a limited number of K-12 students in a limited number of zip codes**. If this program proves successful, additional zip codes and seats may be added in the future.

If you are interested in transportation, please complete the information requested below. COMPLETING THIS FORM DOES NOT GUARANTEE THAT YOUR CHILD WILL RECEIVE TRANSPORTATION. However, in order to be eligible for transportation, an application for admission must be on file and this form must be completed.

Once zip codes are finalized, pick up and drop off locations will be identified. It is the parent's responsibility to ensure that the student is at the pick-up location at the designated time. Additionally, the parent must return to the pick-up location at the appropriate time to pick the student up after dismissal.

If your transportation request is granted, you will receive additional information regarding rules and regulations in the mail.

Thank you for your interest!
